Dear Singula Community,

On **Friday, September 18th**, the country lost a true hero and steward of the fabric of democracy and social justice in the United States- *United States Supreme Court Justice Ruth Bader Ginsburg*. The late Justice Ginsburg was a model of sheer **determination and integrity** that has been a beacon of hope, especially during these most recent times of social unrest.

I received an email today from an organization that I (in addition to several other key Singula members) was once a part of- **Georgetown Day School**- a socially driven school that was founded as the first racially integrated private school in Washington, DC. I was saddened to hear that Justice Ginsburg had been confirmed to provide a keynote lecture to the school community on November 18th of this year. We all mourn the loss of the late Justice Ginsburg, and remain steadfast to what she stood for.

On **Wednesday, October 7th** I will be leading a discussion held by the **Bedford Playhouse** (<https://bedfordplayhouse.org>) entitled, "**Grief and Loss during the Pandemic**". If you or someone you know could benefit from this discussion, I urge you to invite them to this event. More details will be coming to you soon.

I wish you all well, with unity, **integrity, determination, and hope** during this historic moment of **loss, grief, and growth**.

"Real change, enduring change, happens one step at a time." - *Supreme Court*

Justice, Ruth Bader Ginsburg

Kindly,

Marc S. Lener, M.D.
